

Exclusive Windmill Partnership

VIP GOLF

Dear Springbank Multi-Club Members,

We are thrilled to announce that the Windmill Golf Group has arranged a Corporate Partnership with VIP Golf.

This program offers an opportunity for our Platinum and Gold Springbank members to enjoy some great golf at VIP select courses across Western Canada.... **at exclusive VIP rates**. This partnership also includes access to a series of unique VIP events.

Registration is very easy and open to all Springbank Platinum or Gold Members who have paid a 2019 annual due (primary & spouse) or selected the 2019 Pass Holder dues option.

To register:

1. Click the yellow button below.
2. Register (at no charge), using your e-mail address used to book tee times.
3. VIP will call our office to verify your status and then activate your name.
4. A link will be sent with our VIP course listings and booking instructions.
5. There is also a quick link on our website under 'Member VIP Bookings'.
6. Fees for VIP bookings are charged directly by **VIP Golf** to your credit card - they are not charged to your Springbank member account.

If you are a Country Club or Social member considering an upgrade to your membership (to Gold or Platinum), now is a great time! Please contact General Manager Kevin Heise for further details if interested.
