QUESTIONS?

Contact sales@aboutgolf.com or call 800-445-GOLF for more information.

BEER PONG

Invite your friends and family to join in the fun, create a tournament, and make amazing shots with the club of your choice while watching it splash into the chilling cups. BeerPong can be up to 4 players, goal is to hit your club (which acts as throwing the ball) into the cups on the opposite side, the screen will rotate when it is the other teams turn. If there are 4 players, you and another player are teammates and will take turns as the screen moves back and forth between the two sides. BeerPong is great for indoor golf centers, restaurants, bars, hotels, casinos, personal homes and more.

CORNHOLE

Tailgate in style with the ultimate aG Cornhole™ competition. With picture-in-picture on aG Links™, watch the pre-show during your pre-game. With aG Cornhole™ 4 players can battle it out for the top score of 21. Similar to traditional outdoor Cornhole, the aG Cornhole™ allows players to swing for a chance to get their bag onto the raised platform in hopes of getting the closest to the hole. A bag in the hole scores 3 points, while one on the board scores 1 point. This fun game of sack toss can be played any time of the day, rain or shine, invite your friends, create a tournament, perfect for the home and restaurants/bars, indoor golf centers and more.

DARTS

aG Links™ has elevated the traditional pub game of darts with a whole new spin. Improve your aim and swing performance while you compete for the circular target. Individual play or as a competition with multiple players, the aG Darts Bar Game™ is great year-round. Similar to the traditional game of throwing small darts at a circular target (dartboard), except your throwing motion is the golf swing. Create different challenges, distances, and even invent your own house rules to make this timeless game a fun group experience.
