About Pickleball & Our Courts

Pickleball continues to grow at warp-speed as it welcomes a wide range of age and abilities to keep fit with family and friends.

Courts are 1/3 the size of a tennis court, 20' x 44'. We used the best surface available for ball bounce and player performance - a fine asphalt base with a professional hardcourt Plexipave surface. Our net posts are permanently anchored for consistent net height (36" at sidelines & 34" at mid-net) and windscreen wraps around the fence for continued calm play. Pro!

Composite paddles serve and return a high performance 'wiffle' ball. Out-serve, out-return, out-volley, out-play, and out-dink your challengers!

Pickleball may be played as singles (1v1), or doubles (2v2) and is a VERY social and friendly sport. You'll LOVE it!

Let's Pickle!
